

Reasons to Hire *Pat B. Freeman*

Inspiring Confidence

You want someone who speaks to inspire confidence that leads to action (doing). Pat has a passion for turning inspiration into action and ideas to profits.

Changing Mindset To Be Positive

You want someone who speaks to helping individuals and groups get their mind right to achieve their personal and professional goals. Turning impossible thinkers into possibility thinkers who get things done!

Strategic Planning

You want someone who can teach the power of creating sustainable results with strategic planning! That's why she wrote her latest book: *Get Your Mind "Write": 7 Steps to Breakthrough Confidence for Aspiring Authors to talk about action*. She followed up with the accompanying book: *Get Your Mind "Write"- 90 Day Action Planner*.

Proven Results

You want someone who can inspire and empower you or your group to have a mindset for success. Pat will teach outcome-based action steps that gets results. "

Teaching Excellence

You want someone who will leave your audience uplifted and inspired. You want someone who engages her audiences with authenticity and enthusiasm, someone who is a master at helping individuals and teams "step up" in their job and work or lead with excellence and sustainability.

Methods That Turns Into Profit

You want someone who has developed a formula that creates a mindset and an outlined plan to succeed. Her *7 Steps To Build the Dream Process* covers: *Become an Author; Become a Confident Public Speaker; Plan Your Dream Career; Learn the ABC's of a Professional Image; Turn Your Passion into a Profit-making Business*. You want a catalyst for change that will wake your audience up to be leaders and increase their value in the workplace.

"Her presence alone makes you want to stand up and cheer yourself on."

— Lucy Wellmaker, Author and Contributor to O, The Oprah Magazine —
